Awarding Authority:	Office of the University President	**Subject:**	Instructional Excellence & TA Mentorship

To: Esteemed Student, Ms. Reyhane Javidi Alsaadi

Undeniably, the academic progress and continuous excellence of any scholarly institution are indebted to the compassionate dedication and responsible engagement of talented students who, through their intellect, scholarship, and commitment, illuminate the pathway of learning.

Your active, vibrant, and commendable contribution as an instructional **Teaching Assistant (TA)** for the course **'Video Game Design and Development"** and your close pedagogical collaboration with course instructor **Prof. Toktam Zoghi** throughout the preceding academic semester are worthy of the highest praise and institutional esteem.

This **Letter of Commendation** is formally conferred in deep appreciation of your steadfast commitment, sincere endeavors, constructive engagement, and pivotal role in accompanying the faculty members of the Department of Computer Engineering. It recognizes your exemplary service in advancing instructional objectives, conducting lab sessions, holding problem-solving workshops, and mentoring peer engineering students across demanding academic projects and coursework activities.

Beseeching the Almighty for your ever-increasing success along the path of scholarly advancement. It is our firm hope that this invaluable pedagogical experience serves as a robust launchpad for your greater academic and research triumphs in the future.
